

COMPLIMENTARY SPONSORED EVENT

AT THE EVENT, ENTER TO WIN!

Prizes include a Lotus™ Sit-Stand Workstation and two tickets to Elton John at the Allstate Arena on February 18, 2019. Each company represented will receive a COMPLIMENTARY ergonomic product evaluation kit.

Learn how you can improve your productivity and bottom line in this educational seminar providing engaging and practical information about workplace well-being.

WHO SHOULD ATTEND:

Anyone who is responsible for maintaining a company's culture, promotes and/or leads a wellness program, uses training, or sets product standards to solve wellness issues.

WHY YOU SHOULD ATTEND:

- To learn about the updated science on health and well-being and its impact on productivity
- To create simple strategies that focus on movement, health & the environment so employees can work better
- To quantify what an investment in well-being yields with case studies and ideas to implement your own Worktivity Plan
- To brainstorm strategies that would work in your culture and environment to allow your employees to work better

PRESENTED BY: Natalie Johnson

Natalie Johnson is the President of Population Health Consultants, a firm focusing on creating healthy populations and cultures through leadership driven training & initiatives. She works with companies locally and globally to identify ways to align company mission to the importance of overall physical, mental & emotional health. As a Sports Nutritionist, Personal Trainer, Performance Coach and Health Coach, Natalie uses her skills to create comprehensive solutions that start with a buy in from leadership and a well-being plan that has purpose.
