

One-at-a-time dispensing improves hygiene and reduces waste

Ideal for high-end washrooms

The Tork Xpress® Countertop dispenser comes in finger-proof stainless steel or in high-gloss white/black plastic. It delivers self-presenting single hand towels that offer a cost-effective and hygienic solution for your needs.

Impress your customers with an elegant washroom

This dispenser is designed as a superior alternative to loose stacks of towels in a basket or tray. This enclosed dispenser will prevent towels from getting wet or damaged, which helps to reduce waste. The one-at-a-time dispensing will improve hygiene and ensure a high-end towel dispensing experience.

- Modern design and compact size perfect for washroom countertops
- One-at-a-time dispensing for improved hygiene helps minimize overconsumption
- 25% usage reduction, guaranteed, when compared to a stack of loose towels
- Finger-proof stainless steel or high-gloss white/black plastic for easy maintenance
- Compatible with most high-end Tork hand towels, providing the best customer experience
- Enclosed housing protects towels inside the dispenser for improved hygiene and reduced waste
- Refill level indicator and overfill protection for easy maintenance
- Anti-slip pads for improved dispensing
- 2013 ISSA Innovation Award Dispensers Category Winner
