

PROTECT YOUR ASSETS WITHOUT BREAKING YOUR BUDGET

NEW Avery® PermaTrack™ Asset Tag Labels

Asset tags do more than identify your company's assets—they give you an extra level of security because you can track and monitor them. Now you can create your own at just the fraction of the cost of custom printing services.

Customize and create on demand, directly from your laser printer

No minimum order quantities, long turnaround times or shipping costs compared to using custom printing services

Available in a variety of sizes and materials, with a strong adhesive to provide reliable tracking for the life span of your asset
